Sir,

Sub:- Buildings - Extending the Baby ward in the Lady Goschen Hospital, Mangalore - and extending the Maternity ward in the Government Hospital, Kasargod.

--

Ref:- This office letter No.99034-1-M1 dated 28-12-48/2-11-48.

With reference to the Government Telephonic Message dated 22-12-48 I have to state that the present Baby Ward of the Lady Goschen Hospital, Mangalore has space to accommodate only 9 patients(Babies) but more than this number is accommodated to meet the needs of the patients. The proposed extension therefore will not involve extra cost to the Government either recurring or non-recurring at present.

In this connection, I forward herewith for very early orders of Government a copy of letter No.3900 dated 31-12-48 of the Executive Engineer, South Kanara Division, Mangalore requesting the return of the plans and estimates before 10-1-49.

Yours faithfully,

for Surgeon-General with the
Government of Madras.

Copy of letter No.3903 M dated 31-12-48 from the Executive Engineer, South Kanara Division, Mangalore.

...

Soon after the Chief Engineer's authorisation for Medical Minor works were received, estimates for the following works were prepared and sent to the District Medical Officer, in about September or October 1948 for transmission to the Surgeon-General for countersignature.

The works are (1) Extending the Baby ward in the Goschen Hospital, Mangalore.
(2) Extending the Maternity Ward in Kasargod Hospital.

The Estimates were not received approved even by the end of November 1948. As the time before the end of the financial year was short, I called for tenders for the work and reminded and Surgeon-General for the Estimates and a telegram was also sent recently. Even by 28-12-48 the estimates are not received approved. The

The estimates are necessary to decide the tenders. Therefore I request you to kindly see that the estimates are sent to me before 10-1-49. As I have to send my final modification of grant early in 1949, I cannot reserve any grant if the Estimates are not sanctioned by that time. If the Estimates are not received by 10-1-49, I am afraid I will have to surrender the grant. Please treat this letter as a telegram and do the needful.
